

T-drive structural timber screw, with flange head  
Zinc and yellow coating

**Specification**

Diameter: 6mm ~ 10mm  
Length: 80mm ~ 450mm  
Box qty: 100  
Stainless available

**Description**

T-40 drive recess for secure installation  
No pre-drilling in most timbers  
Shank ribs and patented point reduce drive torque  
German building regulation approved

Flange Head - with milled ribs, partly threaded, t-drive - zyp
